Meeting Notes
Engaged Learning Working Group
October 8, 10:30-12:00 p.m., HH 309

Attending: Hokulai Aikau, Tammy Haili‘opua Baker, William Ditto, Robin Hadwick, Brian Huffman, Kathleen Kane, Michelle Manes, Michael-Brian Ogawa, Todd Sammons, Susan Hippensteele, Rebekah Carroll

1. Academic rigor brainstorming, con’t. (Leaver study issues +)
   a. Leaver Survey
      i. MIRÔ currently has and is analyzing remaining data
      a. Discussion of survey
   b. Discussion from last month
      i. Had discussed rigor and new charge
      ii. Different ways to approach rigor
      iii. Rigor as an issue for certain populations in the leaver survey
   c. Budget & Recommendations
      i. Can identify tiered recommendations: cost vs. no-cost
      ii. Should prioritize
      iii. Do not have to submit all at once
   d. Convener
      i. Robin volunteers

2. New initiatives, expansion of current programs, best practices, faculty incentives
   a. Survey results show rigor has improved since last survey
   b. Issues
      i. Conflict between large classes vs. providing EL opportunities
      ii. Method of crediting faculty discussed
      iii. Incentivizing how faculty is credited offers opportunity for EL
      iv. Weighting needs to happen at campus level
         a. Timely with regard to tuition allocation changes that are being discussed
   c. Preliminary discussion of recommendation
      i. Work through what the weighting should be
      ii. Goes hand-in-hand with budget reallocation
   d. Discussion of what a weighted system might look like
      i. What courses would be weighted
         a. Determine a Block system
      ii. How the weighting will effect SSH
      iii. Discussion of effects

Next Steps
1. Get Low-Enrollment Course report/data and brainstorm the Blocks

Next Meeting: Tuesday, November 5, 2013, 10:30-12:00 p.m. HH 309
