As a First Time freshman into UH Manoa upon receipt of your tuition deposit, you are automatically eligible for our "Incoming Freshmen Registration Opportunities" with choices for registration, each with its unique opportunities and features.

**Learning Communities**
Join a learning community and share three classes with the same cohort of students and select "guided choice" courses from a list.
Date: May 15 - July 15
See Website for More Info

**Pre-Registration System**
Pre-register for classes from a select list of courses based on your major. Please be advised that in some cases a course that you select may not be available to you this fall based on a variety of factors.
Date: May 15 - July 15
See Website for More Info

**Register in Fall Semester**
Unsure of what you would like to register in? You can always register just before the Fall semester starts through MyUH Portal.
Date: mid-August to end-August
See Website for More Info

**Onward:**
To assure your successful transition to University of Hawaii-Manoa, register to attend one of our Warrior Welcome sessions during the summer at New Student Orientation and check out the online New Student Checklist. Then, in mid-August, you will have an opportunity to consider modifying your final schedule. As an accepted student at Manoa, you are eligible to apply for student jobs as early as this summer if you wish and this is encouraged to help you become familiar with campus life.

**Correspondence:**
Please keep a close eye on your UH email as official correspondence is delivered to your UH email. In the interim, if you have any questions or concerns, please don’t hesitate to email freshreg@hawaii.edu.

**Disclaimer:**
Please note, registration opportunities will only be available after National Commitment Day (early May) to ensure equal opportunities for all students. In addition, participation in the Pre-registration system does NOT constitute your final fall schedule. Your final schedule will be created in early August based on your preferences, individual placement test results (if required by a course) and other factors.
